ESTONIA (CYCLING TOUR)

Discover West Estonia and islands by bicycle!

The tour takes you to the western part of Estonia and to the largest islands Saaremaa, Hiiumaa and Muhu.

The route is on smaller roads and shows you the best of what West Estonia has to offer - idyllic small villages with stone fences and houses with thatched roofs, romantic summer resorts Haapsalu, Kuressaare and Pärnu, windmills in Angla, the wonder of nature in Kaali, friendly people, and of course the sea and sandy beaches.

Ferries will take you from one island to an other. On top of that enjoy a unique island atmosphere – a slow pace of living and laid back islander attitude; people on islands are never in hurry.

UKRAINE (TASTE OF UKRAINE)

The purpose of this program is to explore the Western part of Ukraine and learn more about the different cuisines and cultures found in the region. The plan consists of travelling to the region of Chernivtsi and staying in a hotel right next to the Carpathian Mountains. The daily program includes activities such as hiking in the mountains, swimming in the rivers, exploring various restaurants, and visiting the 3 ancient cities (Chernivtsi, Kamianets-Podilskyi, and Khotin); Kamianets-Podilskyi and Khotin possess the two biggest castles found in Ukraine. The Western part of Ukraine is very multi-national, being composed of a mixture of Ukrainian, Romanian, Polish, and Hungarian communities. We will take upon to experience the multi-nationality of the region by visiting restaurants, which represent various cuisines. 4 different restaurants will be visited, a Ukrainian, Polish, Hungarian, and a Romanian one.
